# STATUS CREDITS

## EARNING

Your Mollymook Plus tier is determined by the number of status credits you earn over a six-month period. You can earn status credits when using your membership card to purchase food, beverage, raffle tickets and when playing a gaming machine. You are also able to buy into a tier. Please see reception for further information.

## CHECKING

You can check how many status credits you have earned by asking reception at any stage.

## MOVING UP A LEVEL

You can move up a tier on the first business day of each month. Mollymook Golf Club calculate your level by looking at how many status credits you have earned in the last six months.

## MOVING DOWN A LEVEL

Moving down a tier only happens twice a year on the first business day in February and August.

## OPTING OUT

If you choose not to be a part of Mollymook Plus, please tick the 'opt out' box when joining as a member or see reception.
