ABOUT THE HILLTOP CHAMPIONSHIP COURSE

The Hilltop Course at Mollymook Golf Club is considered to be one of the best layouts on the South Coast of NSW. It has the infamous title of “the ultimate challenge” and has been rated in several Top 100 Golf Course publications over the years.

Carved out of natural Australian bushland, the course winds its way through the native trees and features many natural water courses with an abundance of wildlife. The bent grass greens are contoured to make putting a true test even for the advanced player.

The Hilltop championship course opened for play in 1977 and has stood the test of time as it is still regarded as one of the most challenging courses in New South Wales.
